Callout boxes

Note

Note that there are five types of callouts, including: note, warning, important, tip, and caution.

Tip as a title

This should be an example of a callout with a caption. So add a caption!

Expand To Learn About Collapse

This should be an example of a "folded" caution callout that can be expanded by the user. You can use collapse="true" to collapse it by default or collapse="false" to make a collapsible callout that is expanded by default. Try adding these to attributes.

New little title

Note that there are five types of callouts, including: note, tip, warning, caution, and important.
